ANGTHONG NATIONAL MARINE PARK

This group of islands, 250 sq kms., is located 45 km north-west from Koh Samui. It takes about 2 hours by tour boat and 1 hour by speedboat. Visitors will be enchanting wonderland composed of bulbous green isles, clear blue lagoons, mysterious caves and strange shapes of rock formations.

The 2nd National Park created in Thailand, which comprises some 40 islands covering area of 250 sq kms. Most islands comprise limestone masses, reaching heights up to 450 meters, has blanketed by 4 difference types of forest such as Dry Evergreen Forest, Beach Forest, Limestone Forest and Mangrove Forest. There are many strange rock formations brought above by erosion of the earth and one island has a mysterious sink hole, completely enclosed by walls of sheer rock, on its center.

In the morning transfer to the Pier, board the speed boat to Angthong National Marine Park. You will arrive at Koh Wao or Koh Tai Plow for snorkeling, a nice place for fish and wonderful coral reefs. Then we do sightseeing around the National Marine Park. Climb up the steps to see the wonderful "Emerald Lake "known as Talay Nai, surrounded by the mountain.

Buffet lunch at The National Marine Park for speed boat and on board for Tour boat.

Afternoon, Relaxing on the beach, swimming or climbing up to see the fantastic panoramic view of Angthong Marine Park .15.00 cruise back to Koh Samui and transfer to your hotel.

Note: You can choose between speedboat, tour boat (there is no Koh Wao/Tai plow in the program by tour boat)
