KOH TAO AND KOH NANG YUAN

A diving and snorkeling paradise, 70 km further north of Samui located in the clearest and best under water visibility in the Gulf of Thailand. It's a home of various coral species where you can find abundant of tropical marine life, giant clams, and colorful fish that you can feed them with bread by your hand.

Starting early morning, the boat departs the pier to Koh Nang Yuan . Koh Nang yuan is a group of three islands in the northwest of Koh Tao. The pretty little islands are interconnected by a long sandy beach . The journey takes about 1.30 Hrs. Upon arrival, you can climb up the mountain to the viewpoint of Nang Yuan - 90 meters - panoramic view or just swimming , relaxing and sunbathing.

Lunch at restaurant on Koh Tao for program by speed boat and Lunch at restaurant on Koh Nang Yuan for program by Catamaran boat.

After lunch visit beautiful snorkeling points around Koh Tao . Explore the beauty of the underwater world with it's colorful marine life amongst soft and hard corals.

15:00 pm, we will return to Koh Samui .Arrive the pier at 16.30 for program by speed boat and 17.00 for program by Catamaran boat.
